

**Call for Proposals at the IAU
Office of Astronomy for Education**

Teacher Training Programme (TTP) 2026

The Office of Astronomy for Education (OAE) invites and encourages anyone working in astronomy education in collaboration with their National Astronomy Education Coordinators (NAECs) to submit proposals for teacher training and professional development workshops to be hosted in 2026/27.

For more information on the eligibility criteria, rules, application form, and all important dates, please visit our website:
<https://astro4edu.org/ttp/>

**Application deadline:
30 April 2026**

If you have any questions contact us at:
